2	**Apologies:** W Holland, N Lale I. Sparrow A. Treadwell		
3	**Adoption of minutes:** All ok		
4	**Matters:** <u>Cromwell weir</u> planning permission has been given although there is no indication yet as to a start date. There is also no information yet from the canals and rivers trust <u>Electric</u> 2 quotes have been received, one from N. Lales son which came in at £15571 to completion One from Chris Russel which is £8650 plus VAT which includeds a 16A socket in the shed <u>Fence</u> R. Jones and K. Archer have met and with the contractor about the fence down the side of the road a 200m stock type fence is to go up at a cost of £6 per meter. This includes gaps for gates of which there will be 2.	. R. Jones is sending an email asking about start date R. Jones to speak to Chris Russel regarding the specs R. Jones to ring about the fence, we don't	The main difference in cost was the diameter of the cable to be used. There was a lengthy discussion about the position of the fence which needs to be

	There is also a stretch of about 30m to be done near where the electric comes in, however this cannot be done until the dyke is sorted, the cost of this is approx. £4000 Currently part of the fence is not where is should be and we would like the fence putting back around the tree. Club books have now been done.	need the metal rigid one yet.	6.2m from the edge of the concrete
5	**Correspondence:** Received a thankyou letter from the child bereavement centre		
6	**Treasurers report:** Given and received, there are some bills that need to be paid including Anglian water drainage and the farmers who we rent some land off as well as the angling trust. Regarding Co-Operation tax . K. Archer had received a letter. There is £75 due on interest and dividends however the cost of collecting this would outweigh the benefit to HMRC. Income from temporary members is not taxable as long as we make it clear that the money collected is for the development of the angling. It was suggested this is printed on the receipts. K. Archer has sent our current layout and design of tickets/ receipts to the accountant to see what could be changed on these.	K. Archer is again looking into online banking

8	**Fisheries officers report.** Fleet has been cut as have the rivers and the lakes. P. Kitchen has serviced the tractor Some stone is needed for flattening the bank Fish house field needs cussing, but it may be worth checking if any more grazing animals are going in first as this will keep it under control. There is a tree stuck in peg 13 that needs to be moved and a working party is still needed on the fleet. Reminder that the bin at the lakes in the toilet block is for hand paper only as there is still things being dumped in it.. Still need some new no parking signs.		
9	**Work to be done.** Covered above		
10	**New Members** 125 Adam Dobson 126 Laurence Webdill		

	127 Matthew Reeve 128 Gordon Booth		
11	**A.O.B.** There is some land for sale in Besthorpe but after discussion it is nowhere near the fleet so does not concern us. Stuart Jessop that is a member at collingham was not the person in question Thanks to A. Treadwell for the presentation night. W. Sweeney again brought up the fact that the match secretary is still having disagreements about pegging, as a club and as committee members we need to make sure we support the match secretary's decisions. Question about a bid for the far bank opposite the privates. At the moment it is held under a 1 year contract which will come up for renewal again however they want people to be fishing it so that it holds its value when it finally comes time to sell. There was a question from a carp angler about the amount of things being posted on social media.		G. Westgate spoke to K. Archer. K. Archer to find out more detail.
