1	**Present:** R. Jones J. Mante A. Treadwell P. Kitchen C. Baldwin G. Westgate		
2	**Apologies:** W Holland, N Lale K. Clark K. Archer W. Sweeney G. Turner K. Morton		
3	**Adoption of minutes:** All ok		
4	**Matters:** Cromwell weir No specific date given as to when it will start but we are taking no bookings for next year. R. Jones to check with K. Archer when bookings have been taken up to in order to give members a chance to fish. Electric Completed the build on the shed that used to be the generator shed, a pad lock is needed. Chris Russel has been given a key and work will be starting shortly. Fence New fence along the road will be going up shortly. The question about otters was raised again and a lengthy discussion took part. Weighing up the pros and cons.	R. Jones to check dates of bookings. R. Jones to check price per meter of doing Kestrel	Some committee members questioned why to just do kestrel as the side along kingfisher would then be wasted if the fencing were expanded.

5	**Correspondence:** None		
6	**Treasurers report:** Apologies for his absence Farmers have now been paid We still have the electric and the fence outstanding which needs to be paid. The club has 26 vacancies to be filled and letters will be sent. Need to check with mark Hicks that the appropriate risk assessments have been done in order to allow M. Layton to fish at the club. New keys are needed. The idea of keeping a reserve of funds was brought up again.		Needs mentioning to Keith again when he is here.

8	**Fisheries officers report.** C. Baldwin is keeping on top of things at the moment. The grass and the rivers needs cutting again however it has not been safe to do so recently due to the poor conditions.		
9	**Constitution.** Committee members given a copy of the constitution.	All to look through and bring to next meeting with remarks.	
10	**New Members** 129 David Milburn 130 Steve Ball 131 Lee Sinclair 132 Craig Sinclair		

	133 Mrs Hayley Thompson		
11	**A.O.B.** Barbed hooks are becoming a problem again, so this needs monitoring. Nigel's Match raised £170 for charity Still vacancies for the charity match 13th July. There was a question asked about having breakfast in the pub again. The plan is to get back into the pub for break-fasts. Members asked if they knew anywhere that may publish write ups for the matches that the club runs, just to promote the work done a bit more. A firm decision was made that the money raised this year for the charity would go to buying something physical for the 2 boys that the club is supporting. Christmas do will be opened up to everyone this year. We also need to think about the AGM and securing the venue. The development of the fleet was proposed again, this could potentially make an excellent mixed fishery. Currently the water is too high. Kingfisher lake will be shut on the 29/30th June 3rd/4th August and 17th/18th August. For the charity carp match.	Have a look once the water has gone down.	

	Question about cars and bivvies on Donkey bank on Kingfisher. The current position is that bivvies are ok on there but cars are not.		
	Question about changing the lock on the main gate at the front of the complex.		This was deemed too expensive and not plausible as too many people would need new keys
	A member had asked a question about signal boosters for the lakes.		This was not thought feasible
	Proposal made by A. Treadwell for G.Westgate to buy 8 walkie-talkies for club use. Seconded by C. Balwdin and passed	G. Westgate to purchase	Cost not to exceed £90
