Collingham Angling Association

Committee meeting minutes 15th January 2020

Present; R.Jones, K.Archer, C.Baldwin, P.Kitchen, N.Layle, K.Morton, J.Mante, I.Sparrow, A.Treadwell, G.Turner.

Apologies; W.Holland, W.Sweeney, G.Westgate

Matters Arising

Cromwell weir hydro; looks to be going ahead with a reduced size (2 units instead of 3) .Fish Legal failed to get a judicial review due to reduced time scale caused by changes in rules. Plans to be ratified soon.

Canal and Rivers Trust lease for the weir section is due for renewal at the end of March and the club will renew same.

Millennium Complex minor electrical issues to rectify by the contractor.

Correspondence

None

Treasurer

Fisheries Officer/Work to be done

A good number of platforms completed and work to be continued in spring.

The road on to the complex needing repairs.

Some more dye needed for aquatic weed control.

Extension rods required for the aerators.

Carlton Ferry lane in a poor state with potholes and flood damage. Parish Council to be contacted.

Trent flood banks need patching in places.

Manhole covers for valves at the water main river crossing from Carlton need replacing. Severn Trent Water to be notified.

Applications

114 Andrew Roberts

115 Richard Ingoll

116 Cy Wilson

AOB

John Mante queried use of Coot stock lake. This lake currently only now contains numbers of rudd and possibly some tench but is difficult to net due to high silt levels.

John Mante asked for a stocking of large carp in Kestrel lake as the carp in there at present can't be caught. Fisheries officer to price some up for the next meeting.

Meeting closed 2215hrs
