

Blimey,

What a qualifier, and in middle of a stinking hot heatwave, with several pairs jostling to the end for the last 2 places in the final.

In the end we had an incredible 21 fish for over 310lb.

Final worthy winners were Tom n Leo (swim 1) with 6 fish for 103lb including....wait for this.....

As far as we know the lake record was broken (and Toms UKpb) with the mirror now at 32lb 15oz !!!!! followed by a double take resulting in 2 fish on the bank at same time.

Well done you two, terrific stuff.

The all important 2nd spot, and after some too-ing n frow-ing, finally went to Aaron n Matt (swim 3) with a super 6 fish for 87lb.

And well done to the junior ringers Levi n Zach (4), just getting squeezed into 3rd with a brilliant 4 fish for 55,03. Good effort.

Fourth was Daz n Simmo in swim 5 with 3 for 37,10.

Jostling for bottom spot was me n Dave (6) and Rick n Sean (2) with a shaky 13 n half lb each.

Excellent, well done all, but crickey it was hot
